Hi Grant,

I will try to arrange my schedule to get there. Is it at the Koban?

Hi Ellen -
If you think you'll be able to attend for the beginning half hour or so (100-130) and then Michael can represent for the entire time, I think we'd be covered. What do you think?

Thanks!
Grant

I may be able to attend but not for the whole two hours. However, I will make sure that Michael James, our safety patrol captain, is there to represent the Little Tokyo BID.

Hi Ellen & Joanne -
It's looking like 10/19 from 1p-3p is the best date for everyone involved. Most people indicated that they were available - and it's also immediately following the LT Public Safety mtg, so we can get some good participation from those folks. Also, I did a quick poll regarding availability for the following week, and it's not looking very good.

By any chance, are there any BID board members who might be able to participate in addition to Michael James during that time slot?

Thanks!
Grant

Of course, I would want the captain of safety patrol Michael James to be there. He's available most days.
During the week of the 23rd I am available the 25th, 26th, 27th but will keep those days open.

Hi Ellen -
Thanks for filling in the doodles!
I see that your availability for the week that we're doing the tour is pretty limited. Unfortunately, so is Joanne's. I don't suppose there's someone else from the BID that can represent? If not, we might have to look at another week. I really want to schedule for a time that you all are available. Does the following week (week of 10/23 look better for you?)

Thanks!

Would you mind filling out the doodles below? I want to make sure we can include you in the planning of the tour (and the actual tour!)

Thanks,

Subject: Scheduling tour for LT Stakeholders + The People Concern's E6 outreach team

To:

Hi Everyone -

As I mentioned in my previous email, The People Concern has recently launched their newest outreach team. This team, which is part of their E6 program is a multidisciplinary team of service providers which includes a mental health clinician, substance abuse specialist, peer supporter, case manager, and a physician's assistant. (I have been thinking them as a Special Forces team...the best of the best!)

This team, which covers all of the areas immediately adjacent to (but not including) Skid Row, is starting to become oriented to the various neighborhoods and communities that they serve. As part of the process, we'd like to coordinate a tour of Little Tokyo.

Purposes of the tour will be:

- 1) Introduce them to the key Little Tokyo stakeholders -- particularly those who are interested in/affected by homeless folks in the neighborhood.
- 2) Let them share a bit about the work that they are doing
- 3) Discuss the best ways for us to keep each other informed and ensure that they are connecting with those who are in need of their services within our community.

I have set up **2 doodle polls** for this tour:

1) Poll #1 - The first doodle will be used for scheduling a **PLANNING MEETING** for the tour: <https://beta.doodle.com/poll/2x4ai9d9ih9rndc6>

2) Poll #2 -The second doodle will be used for scheduling **ACTUAL TOUR** -
- <https://beta.doodle.com/poll/wvhe926en7up3wtw>

Thanks for your participation - let me know if you have any questions.

Best,
Grant
